

Fleet

Directhaul operates a fleet in excess of 50 road-train rated prime movers, with an average age of 2.3 years. The fleet includes more than 200 trailers and dollies.

Maintenance

Internal Fleet maintenance is carried out in Darwin, Alice Springs and Cloncurry. The Darwin workshop was built in 2006 and has a state of the art drive through road train workshop and automatic truck wash that accommodates road trains.

Drivers

More than 60 full time drivers are continuously trained to ensure they maintain the necessary accreditations, licences, and mindset to provide a professional service. Directhaul staff are based at regional depots to ensure an extensive timely transport service throughout Australia.
